

Carl Roach
SCBA President, 1989-90

"I cherish friendships and relationships that came from my involvement with the Association. With the help of a very capable Board and executive director, we kept the wolves at bay."

- Began his broadcasting career in high school with Joe Wilder's Hampton station, WBHC, where he saw some unusual twists and turns
- Manning's 1969 1,000 watt AM was developed to include a Class A FM, a Moncks Corner sister FM and a 100,000 watt full class C FM. Along the way, cablevision systems were built for Manning, Summerton and Lake Marion.
